John 20:19 – “On the evening of that day, the first day of the week, the doors being locked where the disciples were for fear of the Jews, Jesus came and stood among them and said to them, ‘Peace be with you.’ ” Fear is the opposite of faith; that is the cringing fear we have in the face of something that is hostile to us and more powerful than we are. Jesus spends a lot of His time telling the disciples to not be afraid. Our fears constantly hem us in and prevent us from following the Lord’s will. But there is no need to fear. Jesus has conquered. No fear can keep us locked up. We have been set free by Jesus for lives that declare His marvelous deeds..
